

Synonym Finder: Part 1 – A Partial review:

Using the Synonym Finder Tool and more...

Follow previous lesson Steps 1 - 7 from our last exercise (see below).

Before we begin, you must understand the difference between Highlighting (Selecting Text) vs use of the Highlight Tool.

1. Google Search the phrase →. **“War of 1912 Time”**
2. Snap to the Right (Windows Symbol + Right Arrow)
3. Now Open the DESKTOP MS WORD [clicking the START BUTTON in the TASK BAR]
4. Snap to the Left (Windows Symbol + Left Arrow)
5. Copy the Passage about the *War of 1912* from the word “*When*” to the word “*enriched...*”
6. Paste the copied passage into the Word Document.
7. Save the document to your WORD Folder and name the file **Activity 2 Synonym Finder**
8. Press CTRL + A to Select ALL Text of the passage. Now increase font point size to size 24, 20, 18, or 16 – your choice.
9. Move on to the next section: **Synonym Finder: Part 2**

Synonym Finder: Part 2 - A follow up lesson:

1. In the passage, locate the following words (listed below – see word bank).
2. Highlight each word and turn each word’s font to **RED, BOLD & UNDERLINE.**
3. Now trace each word and use the Highlighter Tool/Pen in this lesson. After using the Bold, Underline & Red Font effects, highlight each of the words using the color **Yellow.**

[Hint: Use the FINDER tool to locate each word rather than skimming. (CTRL+F)]

nomination	foreseeing	monumental	posterity	successor
egotism	enriched	quest	antiquated	

4. Now replace all 9 words with a synonym using the Shortcut Keys or using the Right Click method to replace each word with a suitable synonym. As completed in our previous lesson.
5. Proofread the paragraph and rearrange any word(s) to confirm it makes proper grammatical sense.
6. Ask a neighbor to proofread to confirm your work is correct then discuss the edits/changes that you made. Keep it brief.
7. Save this document to your H:/ Drive **CompApps Folder** in the **Word Folder**
8. Name the File: **Activity 2 Synonym Finder**, exit MS Word.
9. Double check the file is where it should be. By going to your drive and trying to locate this file in your CompApps Folder. Ask the teacher or a classmate for saving help, if you are unsure.
